ERASMUS+: THE SECRETS OF SUCCESSFUL PROPOSALS

The course is designed to provide guidance and support for the successful Erasmus+ proposal preparation in order to gain funding from the E.U. funds for the implementation of projects in the field of education, training and youth. The Erasmus+ programme supports actions, cooperation and synergies between organisations in order to raise learning and teaching outcomes, enhance employability, improve career prospects and enhance intercultural awareness. The investment in knowledge, skills and competences will benefit individuals, institutions, organisations and society as a whole by contributing to growth and ensuring prosperity and social inclusion. Why don't you try out these opportunities provided to you and to your school? Increase your innovative nature, trigger your motivation, reinforce interaction, create new challenges, share ideas, upgrade your status, and acquire new skills and competences! Explore your potential and test your limits!
