SOCIAL MEDIA FOR EDUCATORS: SPEAK THE LANGUAGE OF YOUR STUDENTS

Social Media have changed dramatically today's society in a way we can no longer overlook! Many schools have chosen the path of prohibiting Social Media in classroom thus missing out on tremendous opportunities for learning and communicating efficiently with students. On the contrary we believe in welcoming and adopting Social Media in the classroom and turning them into educational tools to help students succeed! So join us, in a course where we will explore the most trending Social media like Facebook, Twitter, Pinterest and many more in a variety of ways to help you keep up to date with modern technology and also to harness the power of these tools in order to offer a greater learning experience to your students!
