WEBPAGE DESIGN AND EVALUATION: MAKE YOUR CLASSROOM GLOBAL

This course is designed to gain the necessary skills for design and evaluation of websites by learning the basic principles of design like branding, color theory and responsive web design. It's easy-to-understand training course and will enhance your understanding to create a competent website for your business, school or personal.

Also, this course offers the opportunity to evaluate and test websites through several tasks or tests. By the end of this course, you will have the skills to create your own responsive web page that works well on any device - phone, tablet, desktop or anything in between.

CULTURAL EXPERIENCE

- A multicultural and diverse experience
- Rich cultural program
- Visits to schools
- Nicosia City Walk & Bicycle tours

POSSIBILITIES FOR FUNDING

- Schools, organisations, non-governmental organisations (NGOs) can apply for staff mobility funding to support the professional development
